CLOSURES AT LOWES BOULEVARD AND WALMART BOULEVARD

(KILLEEN, TEXAS): The intersection of Lowes Boulevard and Walmart Boulevard will experience rolling traffic closures Friday from 9 a.m. to 2 p.m.

The closures are for the installation of traffic signal poles and are related to the Trimmier Road Widening project, which includes improvements to Trimmier Road, WS Young Drive and Lowes Boulevard. The signal project will be complete by the end of October and final completion for the entire Trimmier project is scheduled for August 2017.

Motorists should exercise caution while in the area and plan alternate routes if possible.

The City of Killeen apologizes for any inconvenience caused by this project and appreciates your cooperation as we improve the safety of this intersection.
